

UNITED STATES PATENT AND TRADEMARK OFFICE
Certificate

Patent No. 6,581,561 B1

Patented: June 24, 2003

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Kay Brodesser, Rutesheim (DE); Hans-Peter Drespling, Heidenheim (DE); Hans Jensen, Kirchheim (DE); G{00fc}nter Kachler, Ingersheim (DE); Horst Schneider, Waiblingen (DE); Jürgen Stehlig, Neckartailfingen (DE); Joachim Kelm, Pforzheim (DE); and Frank Dieterle, Ditzingen (DE).

Signed and Sealed this Twenty-fourth Day of July 2007.
